Offr. Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department. (Muzrai.)

In forwarding herewith copy of letter No.453/TALP dated 7th November 1923 from the Comptroller to Government, I have the honor to state that on receipt of Government order No.4334-43/M.F.409-13-2 dated 17th June 1920 sanctioning the formation of the Muzrai ----- Establishment Fund, circular letter No.12-9 of 20-21 dated 16th November 1920 with reference to para 6 of the order was issued to the --- Deputy Commissioners of Districts and the Comptroller to Government requesting the forwardal of a statement showing the present muzrai establishment of the several Taluk offices and of their own offices and complete information from all the officers was received only in May 1921. These were consolidated in the late Muzrai Superintendent's office.

2. The statistics provisionally collected at the time of the inception of the fund having been found in many instances to be ~~the~~ ^{at} great variations ^{from} in the estimated incomes of major and minor institutions and correct data ^a for the final formation of the Fund not having been readily available, the late Muzrai Superintendent --- issued circular letter No.4945-82 dated 11th March 1922 (copy ---- enclosed) to the Deputy Commissioners of Districts requesting ---- detailed information about the income of individual institutions, volume of Muzrai work turned out in the several offices and the strength of the establishment proposed to be entertained.

3. The further work to be done on receipt of these statements is by no means inappreciable and having regard to the nature and magnitude of the work I am not confident that it will be possible to finish the work and obtain orders of Government before the close of the current month.

As however, the Comptroller to Government has intimated that in the absence of definite orders of Government the establishment charges debitable to this Fund will not be passed from and after January 1924, I request that the Comptroller may be authorised to admit in audit the establishment charges till the end of March 1924 by which time I hope to be able to formulate definite proposals and obtain final orders of Government in the matter.

4. The favour of early orders is requested.

I have the honor to be,

Sir,

Your most obedient servant,

H. Quaidy

(Letter No.458/TAD B dated 7th November 1923 from the Comptroller
to the Government of Mysore to the Muzrai Commissioner in Mysore.)

"In continuation of this office letter No.371/TAD B dated the --
25th September 1923 and reminder No.147 dated 13th October 1923 in re
the contribution to the Muzrai Establishment Fund, I have the honor to
state that though the formation of the fund was ordered so far back as
1917 and details of the scheme were sanctioned in 1920, the income to
this fund from the several sources has not yet been realised and ---
credited while the expenditure is being incurred as a matter of course
so much so, charges aggregating Rs.30,000/- have been debited to this
fund to end of June 1923. As such an arrangement cannot be continued
for an indefinite period, I request that you will be so good as to
obtain the orders of Government for the further continuance of this
arrangement if the fund cannot be formed immediately. In the absence
of definite orders, the establishment charges debitable to this fund
from and after January 1924 will not be passed."
